

## McNab Ridge Pinotage

Mendocino County

2017

Winemaker Notes: We have been producing our Pinotage from this vineyard for 17 years. It recently changed ownership and has been renamed Open Hand Vineyard. We have decided to keep the name Napoli on the label in honor of our late friend Napoli Lehnert, the previous owner who first brought us the idea of producing this delicious wine. This particular vintage displays aromas of cocoa dusted berries and flavors of raspberries, jammy blackberries, sweet plums and milk chocolate. It is balanced and structured with just the right amount of oak nuances that do not overpower the fruit. It has a lovely & lingering finish that has soft, dusty tannins.
